Don't you just hate it when things go wrong with sex? I'm not one to complain, but dudes, you gotta keep it hard until your lady cums. And you'll score a lot of points and chicks if you can keep it up for her to cum more than once. If you can, she'll fuck you forever, If not, then she'll do it herself. Like I'm gonna do.

## NURSING AND CLUBBING

Ahhhh, club girls, pretty little club girls. I have to admit that I had this thing for girls who like to dress up and party. The ones you see going into the VIP section of a club with big bosoms, ultra short dresses, and no underwear. I found them incredibly hot. I was this way because I had a chance to be with a few in college and they were usually pretty horny and willing to do just about anything, especially if alcohol loosened them up.

Some twenty years ago I was studying to be a nurse; yes, a male nurse, in college and many of them were in the nursing school. Many wanted to fool around and I was always willing. One of my favorites was Bella. She was a fifth-year senior at the time, and she was quite a stunner. Tanned skin that made her beautiful white teeth glow. Long curls in her hair with really firm breasts with puffy dark nipples that begged to be sucked. Now, Bella is a bit of a nympho. Had been for a couple years. For her first few collegiate years she was very, very shy. Over the course of a year I led her along the path of seduction. When I got to see her, she was a sexual animal, and she got me wondering how many other men she'd devoured.

One night as we were sitting in my car after a nice dinner out, she told me that she was headed to Harrisburg in two months for her internship. It made me sad. I told her so. She also seemed sad and we started kissing, softly at first like lovers separating, then more and more passionately. Those luscious rosy lips of hers immediately swelled and she let out a gasp of pleasure. I took that as my cue to probe her mouth with my tongue and her

body with my hands. Even though we had fucked many times, I felt a sense of urgency in this kiss.

We both felt cramped in the car so we headed back to her apartment. Within minutes we were in her bedroom and getting naked. We fell to the bed and she flipped me on my back. She was taking charge of the sexual situation and we stripped one another of all our remaining clothes. She hovered over me and reached for my cock. Bella turned and lifted her leg over me to straddle my face. I gave a light smack to her ass. She lowered her head close to my throbbing cock.

She took hold of it in one hand and put it in her mouth. In the meantime, I began running the tips of my fingers up and down the insides of her legs. Her ass was stuck straight up in the air and her knees began to lift up off the ground as I would move my fingers up and around her ass and pussy. I grabbed her hips and pulled them down as hard as I could. Her soaking wet pussy lips met mine and instantly she let out a warm long and low moan.

As I continued to lick her clit in a circular manner, she began to moan in a rhythmic pattern. As I concentrated on her moans, I could tell they were escalating in their intensity. I could feel her entire body shaking and convulsing with each stroke of my tongue across her clit. It was then that it happened.

She let out a muffled scream with my cock deep inside her throat and she exploded in a violent orgasm. She choked herself on my cock and slammed her ass down on my face. At the same time as she exploded, she began to squirt all over my face and into my mouth.

I loved the sensation and gave her my own loud moan of approval as I continued to lick at a feverish pace. She dislodged my cock from her mouth and collapsed on top of me. She reached over and proceeded to stroke my still throbbing cock. She reached down and placed her hand on my balls to give them some attention. She fondled my balls while she masturbated me. The feel of her hands stroking my cock and pinching and pulling my scrotum.

She moaned and continued to cup my balls awaiting my blast. I let out a very strained moan and grabbed one of her ass cheeks very hard. She inhaled and at the same time swallowed the amazing amount of cum that erupted out of me. She continued to swallow and suck as she seemed overpowered by the sensation of my cum entering her mouth.

She grinned and kissed me passionately. I tasted the remains of my cum on her lips and on her tongue. We cuddled the rest of the night away knowing that we'd fuck again before she left. But tonight it was about the warmth and sharing between two people who would soon be apart, but now together.

— Julius C., in Philly

## MISS PHOTOGENIC

I met Jenni at an office party for our company's 10th anniversary. I knew her from the head office as she was a bubbly receptionist that made everyone coming in feel happy and welcome. The party was winding down and she and I were sitting in a corner talking, laughing and finishing our drinks. As

we headed for the parking lot, she asked if I could take some 'boudoir' photos of her since I was kinda known around the company as a pretty good photographer. I didn't have a studio but I had set up the extra room in my house with some basic photo gear.

We agreed on Saturday morning and, frankly, I didn't think she would show, but right at eleven there was a ring of the doorbell and Jenni. She came in and she was dressed normally but underneath she wore white lace stockings and, when her coat came off, a white bustier with gold trim and sheer white panties with a matching gold trim. We small talked for a few minutes as I checked my camera's and I offered her a drink if she was nervous. She told me it was too early for a drink and she wasn't at all nervous. As a matter of fact, she was quite looking forward to it.

We went into my 'studio' and she looked around complimenting me on a nice little set-up. I thanked her and motioned over to the daybed for her to sit on. As she lay on it for the pictures, I had to adjust her clothing and smooth out some wrinkles. She just watched and when I got down to adjusting her panties, there was a small wet spot by this time. She told me to ignore it because she got wet easily when she was aroused.

Aroused? I hadn't been expecting that, nor had I even taken one picture. She took me

**40+:** *Ahem, anyway... I understand that you've been really bust lately. Would you like to tell me about it?*

**Phoenix:** Sure, but I can't tell you everything. Some of it must remain a secret.

**40+:** *And you don't tell your secrets?*

**Phoenix:** Okay, I have been known to spill the beans, but not this. So, I've tried directing lately. It's something I've wanted to do for a long time and I'm finally confident enough to try it.

**40+:** *Can I assume it will be an adult film?*

**Phoenix:** Yeah, but I want a bit

completely by surprise again, lifting her hips so as her mons pushed against my hand as I adjusted her clothing. I backed off and went to the camera and rolled off about twenty shots before asking her to change to another position. This time she got on all fours and lowered her head onto her forearms. She said she had always wanted to be shot like this because when she sees the pose in magazines, she had always liked it. Click, click, click and another twenty shots were fired off. Again a new position, but this time she asked if she could remove her panties. I told her that I didn't mind.

She pulled her panties down and tenderly fingered her wispy hair to be sure it was fluffed. I snapped more pics and she asked me to get some close ups of her face. I took the camera off the tripod and headed over to the daybed. Jenni took the camera from me and put it aside. Then she took my hand and pushed

gers were engulfed in her sweet wetness as she was thrusting against them.

Purely accidentally, in my manoeuvring and pushing my fingers around her privates, one of my fingers entered her small pink anus too, at which point she went wild as my finger was gripped by her anal muscle, so soft yet quite tight. Jenni climaxed almost immediately, thrashing around and lifting her tight ass to gain control of what was in it. She moved her hips forward and back, sucking my finger deeper into her butt hole. I just left it there. Then I felt it tighten even more around my finger and she pushed back, making it go in as far as it could.

After she finished cumming, she reached over and pulled her panties back on. She asked me to take a few more photos, which I did with a stiffie. Somehow I figured I wasn't going to get my turn to get off, but when she said she thought I had deliberately entered her anus, she wanted to come back tomorrow for some more photos. Of course I agreed, and when she left

I sat on the daybed and knocked one off.

Last week I brought my car to Alex to fix. He's one heck of a mechanic, and he's also very busy. He initially told me he would only need it for a couple days, but when I called him about it, he kept saying, one more day, one more day. Ooooh!

Well Alex, I need to get to work,  
I'm tired of taking the damn the  
bus. What is it going to take to get  
my damn car fixed?

I did not like raising my voice and  
quickly apologized. But then he  
said something I wasn't expect-  
ing. My yelling turned him on and  
he too! We immediately took our  
clothes off and started fucking  
right there in the garage. Lucky  
for us his photographer friend just  
so happened to be there, too!

I've messed up a few relationships, but now that I'm a bit more mature, I know what I want to find in a man. Believe me, I've looked and looked all over the USA and they are all just about the same. They want to get in my pants as soon as we meet, like I'm some sort of conquest.

# taking the most from him

I didn't get laid all summer, but that may have been my fault. I didn't feel like talking to anyone during the day because the sun was too hot and I was sweaty. Who'll talk to a woman with sweat running down her body? So I got myself ready to go out. Smell nice. Wear that new perfume. Get into my shortest dress and highest heels. The right man will notice all this... all the time I took to get ready for him. I'm waiting in anticipation for him. I'm more than just hungry for the right person, I am desperate for that man who wears that new cologne, walks up and slips his hand between my legs, rubbing my skirt as I sit atop my bar stool staring into his eyes. There is a desire running in me. It is mounting, gradually rising, and should I say it's becoming a raging mad ball of fire within me. As I become hornier for him, watching one after another walk past me, I get wetter and wetter. The moisture within has built to a credible amount that is soaking the crotch in my panties.

Two plus hours have come and gone and I've looked around but no one, yes nobody has approached me this night, so I am going home. I really like the bartender. He has been sweet and gracious. He was so nice and wished things were different. He was not beautiful, but he was nice and gracious. He told me at the very last minute he'd ask me out if conditions were different. I thought I would have fucked him only because I was bored, lonely, and

already horny. I wouldn't tease... I'd simply fuck him for the fuck. Oddly, as I walked out I turned around and looked back at him. He was looking at me with a smile and he waved. It was a nice wave.

I didn't take advantage of my situation which was a good idea, maybe. Sometimes I wished I had. Just as I got into my car, some guy yelled out asking me why I was leaving so soon. He said he wished I would have stayed so we could have danced. I thanked him in my own way but obviously not face to face. Using my imagination, my orgasmic Saturday night was while I slow danced with the guy who yelled out at me earlier. I climaxed while slow dancing with him. The orgasm was wild. In my fantasy, the guy was happy he could get me to orgasm while we slow danced. All he did while we danced was finger my clit, going underneath my skirt... and I loved it. I always love my fantasies. I've come up with some doozies.

Friday was another boring day. The summer days were passing fast. Was that a good thing? I didn't go clubbing at first. But by ten pm, I gave in and went over to the place. I walked over to the bar. He wasn't working that night. I asked the girl behind it and she said he was coming in soon to help out, if it was busy. I smiled because I was relieved. I needed someone to talk to. She and I talked for a while. There were two on duty, her, and another guy.

*I love my breasts. I wouldn't change them. Guys love breasts, too. They seem to hold special powers, I sometimes think. So some days, like today, my breasts are offerings...*

He was new, but she told me he was experienced. I thought, since I was bored and lonely, 'how experienced is he?' She knew right away what was going through my mind and giggled. I didn't know what she meant, but I realized shortly afterwards she meant she would take me home, or she could come home with me and have sex with me. I've never had sex with another female before, although I've goofed around in college back when I was a freshman and sophomore, but not as a junior or senior. But that was over twenty years ago. I thanked her and told her maybe I'd think about it for another time. She said it was okay.

I stayed to closing once again trying not to be too obviously inebriated. His name was Charles, the new bartender. We talked as he cleaned the bar. He comes from a nice family, he said. As he finished, I asked him what he wanted and he answered almost the exact same way I would have. He had big hands with long slender fingers. It suggested to me only one thing, but I was wrong to a degree. I would not be disappointed because I was too horny and anything would do. He was horny too, I hoped. We didn't waste time as Charles made the first move. He leaned towards me as I watched his eyes close in on mine. It was beautiful.

He and I sat on my couch talking as he looked

around my room and noticed how modestly decorated it was adorned. While I looked with him, he laid his hand on my thigh moving it across and down to the inside of it. I happened to be wearing a skirt similar to the one the other night. Lightweight and cotton... a person could blow at it and it would float up in the air. I liked it because of its free floating nature, because the skirt always put me in a cheery mood. I wore a matching lightweight top. I hoped he would take notice and move in on my breasts. They are large and firm. I'd been told that they are every man's wet dream and I've exploited them many times before.

I began to like Charles more and more. We began to kiss. I felt his tongue. I wanted Charles and me to make love terribly. I wanted Charles to unbutton my top and release my boobs, undo my skirt, and I wanted him to undress himself or let me undress him. My pussy moistened and dripped. His cock hardened I am sure, but I didn't know it. He unbuttoned me as I wished. I smiled with fear. Once he unbuttoned me completely, he didn't remove my top. He looked underneath and was overjoyed with what he saw. I wanted Charles so much right now.

I love my breasts. I wouldn't change them. Guys love breasts, too. They seem to hold spe-

cial powers, I sometimes think. So some days, like today, my breasts are offerings... to Charles. I am happy to offer them up to him. I am delighted. As he might think, two delicious mounds for him to enjoy all night long. Then I removed my skirt for him, too. Doing it said I was ready to make love to him. Charles took off his shirt. I liked his chest right away. It was manly enough. I rubbed it. I

liked it more. He smiled when I did. I asked him if he was smiling because of what I was doing. If it was nice. He said to me, "It's awesome." We laughed so I took off my top. He told me he was really turned on. I told him I was too. I led it down between my legs so he could feel my panties. His eyes popped wide open. They were soaked. I blushed because I didn't realize how wet they actually were.

I asked him if I could take his pants off. I unbuckled his belt, unsnapped his pants, and unzipped them. They fell by themselves to the floor and he stepped out of them. Wearing briefs, I saw the splendor pushing hard against the inside of them. I thought he would be bigger, but he wasn't, and regardless, it didn't matter one bit. His size thrilled me either way. I went down on my knees, slipped his underwear off, looked up at him. I don't know what he assumed but all I did was hold it in my hands. Holding it and staring at it, I stroked it very, very slowly. He loved it. He closed his eyes. I loved doing it, too. Slowly, surely, I stroked his shaft, never being aggressive whatsoever. I loved how his cock felt in the clutches of my hands. It was long, stiff and lean just like him. Then I took it in my mouth and gave him the best blowjob a woman could give any man.

He was completely naked. He stared at my breasts. Charles, I could tell, adored them. I was overjoyed he found pleasure in them. He lifted me up, removed my bra and panties, and standing completely naked, he stared and stared as if gawking, but he said something quietly as if talking to himself almost. "They are the most beautiful breasts I've ever seen."

Then Charles put his arms around me and we kissed and kissed for a very long time. Bare naked, I turned holding his hands, and I walked back to my bedroom where I lay on my bed so he could make love to me. Lying next to me, Charles caressed my boobies, and then all around them. He quietly kissed and caressed me everywhere. When I say everywhere, I mean anywhere and everywhere. It was and it wasn't intense. Building up to a mo-

ment of final ecstasy, Charles's hands swarmed over me in areas no one has ever touched me before.

Charles's fingers slipped inside my butt cheeks, slowly they inched their way through to my hole. Not forcing his way, he subtly slipped his fingers in my pussy wetting them down, and then delicately they went into my ass hole. I squealed when feeling his fingers inside it, but I let him proceed. I began to love and enjoy it more and more. I backed my hips into his fingers and told him to replace them with his cock. He did so immediately and I buckled from the largeness creeping into my tiny hole. I grabbed his hips and made him push into me more. Then I took his hands and brought them around me and down to my clit. What a feeling. I can't say if I felt it before. My sexuality was blooming and all the sensations seemed amplified. He brought one hand back up to my boobs and gently pinched my erect nipple.

We fucked like this for several minutes and then I got down on my elbows, lifting my butt higher for him. This was a signal to pump harder and he did. I counted twenty-two strokes... plunging thrusts into my ass and felt his warmth gush deep inside my anus. We collapsed on the bed, his weight on top of me. I was so turned on that he just touched me lightly on my clit and I came again. He not only made love to my boobs, he made love to my ass, my lips, my pussy, and more importantly, to me as a woman.

*I squealed when feeling his fingers inside it, but I let him proceed. I began to love and enjoy it more and more. I backed my hips into his fingers and told him to replace them with his cock.*

# INDIA & MARK

It was a hot day and we both were sweating. Making love to a man other than my ex was wild. I slid my hands into his pants. My fingers found the tip of his cock. I went lower and grabbed his balls as his eight inch rod was pushing against his pants.

He begged me not to tease him.  
That made me wild beyond control.  
He removed my panties and started  
kissing me. I started biting his  
cock wildly and with lot of saliva  
in my mouth, I bathed his penis.  
After a few minutes, he could  
take it no longer and unloaded  
his cum. Within minutes I got  
him hard again and you can  
see and hear the rest. I  
know you won't be at all  
disappointed because  
I wasn't!

# CANDY & BOY TOYS

I'm about to celebrate my next birthday. Ever since I lost my virginity, I haven't been able to really get off without a big cock inside me. Yeah, I can diddle myself to get off, and even have a little vibrating help when I need it, but a cock is the real thing and I want one.

ENTER CODE: 9G7965974 AT 5FREEDVD.COM FOR FREE VIDEO OF THIS SCENE MUST BE 18+ TO VIEW

A woman with blonde hair, wearing a black corset and black stockings, is lying on her back in a swimming pool. She is being penetrated by two men. One man is on the left, and the other is on the right. The woman has a surprised expression on her face. The background shows a poolside with some greenery.

And what a wonderful birthday surprise this was.

I have never sucked two dicks at the same time before, nor had two cocks in me. Once we got the geometry worked out, everything was great. Getting fucked like this made my insides melt.
